A full-time neutral with over eleven years in civil litigation, for plaintiffs and for defendants, and thousands of cases resolved for her clients.

Tionna Carvalho examined witnesses for the L.A. County District Attorney's Office, defended clients at Estelle & Kennedy, and rose to partner at a large consumer protection firm, where she led settlement negotiations. Since June 2026 mediation is her entire practice: no ongoing law practice and no client list.

Sessions are telephonic, Zoom, or in person anywhere in California, with no minimum or maximum session time. The hourly rate covers preparing for and attending the session, with no administrative charges or hidden fees.
